

PLANNED GIVING

By becoming a PERC partner, you make the difference in assuring that free market environmentalism will remain a powerful, credible, and long-lasting solution to environmental problems.

“Since our founding in 1980, PERC has moved from being a voice in the wilderness to holding a prominent place on the environmental policy stage. I feel confident that we will continue to expand our influence with the support of people such as you—people who are looking to make a real difference by becoming one of PERC’s partners.”

—Terry L. Anderson
PERC Executive Director

GETTING STARTED

Planned giving is not difficult or complicated. Whether you are taking the first step toward planning your estate or are updating your will, there are some simple ways you can help ensure PERC’s legacy while also returning benefits to you.

FROM YOUR ESTATE

“Free market environmentalism is the best way to deal with environmental problems, and PERC is doing the yeoman’s work in this area.”

—Milton Friedman
Nobel Laureate

You can make a lasting contribution toward protecting the environment in a manner consistent with a society of free and responsible individuals by considering a special gift to PERC through your will, living trust, or retirement plan. When your attorney draws up your will or living trust, we suggest using the following language:

“I hereby give and bequeath _____ to PERC, a not-for-profit organization incorporated by the laws of the State of Montana, having as its principal address: 2048 Analysis Drive, Suite A, Bozeman, MT 59718, for its general purposes.”
