

# Civil Society Institute Debate

## SHOULD THE GOVERNMENT REGULATE THE ENVIRONMENT?

What is the role of  
government?

To regulate actions or to  
encourage outcomes?

Can we depend on free  
markets to improve  
environmental quality?

**Thursday, April 7, 2011 • 12:00 p.m.**

Santa Clara University, Bannan Hall, Room 236

Complimentary lunch will be provided. Free and open to the public.

**FREE MARKET**
